

Sarkani UMC

I can do all this through him who gives me strength. (Phillipians 4:13 NIV)
Indeed, with God's help we are growing step by step in spirit and in numbers in Sarkani village. At Sarkani there is also lots of novelties.

On Sundays at 11 we have worship, but on Wednesdays at noon we hold Bible classes and prayers.

We have started ministries that might be of interest to residents of Sarkani. On November 18, Latvia's National holiday, we went out in the streets holding red and white street and formed with them a flag of Latvia, sang songs and finished with Latvia's anthem. Also, before the first Advent we went outside to put down candles and pray about Sarkani. Before Christmas we had a celebration at church organized by society "Save the Children". Families with children were invited and the kids received presents. On this day we brought the Good News of the birth of Jesus Christ, explained what the holiday was about. We visit the sick and lonely at their home. The congregation took part in celebrating the 20 year Anniversary of the Liepa Russian speaking congregation. Step by step we begin getting to know of other UM congregations – we have visited Riga, Cēsis and Tallinn.

May God bless our congregation's continued development.

Our future goals:

- Start Sunday School.
- Begin working with men, and also with married couples.
- Begin ministry with teens.

May God bless.
